## Trail 25k - route

### Ultra 50k:

The Ultra 50km route starts outside Gunnersbury House, a Georgian Grade II listed building. Taking in the Thames Path towards Brentford the route joins the Grand Union Canal path. We'll follow the Yeading Brook and Hillingdon trail before passing the Northala Fields mounds and heading up to the Horsenden Hill conservation area. Back onto the canal we head to Hanger Hill via Lakeside Drive and work our way towards the planned new Regional Park and along the Brent River Park footpath passing under the Wharncliffe Viaduct. The finish will be in Central Ealing.

Route subject to change and will be confirmed closer to the event date.
